Managed Services, Consultancy  
and Support

*WTB Group via the trading name Burdens Limited are the UK's leading supplier of civil engineering and building materials to the infrastructure, environmental and industrial markets. Burdens provide service and support from a national network of over 50 specialist distribution depots covering the UK and Ireland. Art of Computing Ltd has been appointed by Burdens to support the groups Virtualisation and Citrix infrastructure and provide consultancy services to the group.*

*This outsourced appointment has been in place since the very early stages of Burdens vision for Virtualisation and Citrix and has provided invaluable experience, knowledge and commitment from the team at Art of Computing.*
